## Key Note Speaker

**Diane M. Fink**

Director, Middle East  
Director, Aglow Institute  
of Ministry  
[DianeFink@aglow.org](mailto:DianeFink@aglow.org)

Diane has served on the Aglow International staff since 1988 and is part of the Leadership Team at the Worldwide Headquarters. Currently, she is serving as Director of the Middle East, giving oversight to the work of Aglow in that region and working with Aglow leaders in that part of the world.

She also serves as the Director of the Aglow Institute of Ministry – AIM – and in that capacity, has developed curriculum and courses for the online education program for the ministry. AIM provides an accessible and affordable means for women and men to continue to grow in developing leadership skills as well deepening their personal relationship with the Lord.

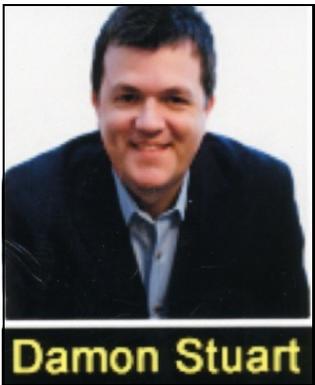

She has written two studies for Aglow: *Honesty – Pathway to Holiness*, *Key to Relationship and Your Identity – God’s Self Portrait*, as well as various teaching materials and articles. The latter study was expanded and updated and released as a book, *True Identity*, and is part of the AIM curriculum.

An ordained minister, she is equally equipped in teaching and prophetic gifts, and for many years headed the prophetic Word/Gift Group at Aglow conferences. Diane brings a wealthy background of solid biblical teaching, as well as more than 30 years of experience in walking out the principles she teaches.

From retreats to conferences to small groups, she has ministered throughout the United States as well as over 17 nations overseas, seeing God faithfully draw others to respond more fully to His love and to experience a new dimension of relationship and healing, from the inside out.

Diane enjoys serving in her local church and has been part of the teaching team for prophetic schools and conferences, in Wagner Leadership Institute, imparting and encouraging others in their gifts. She serves as an Advisor for Sought Out Global, a prophetic ministry whose goal is to provide opportunities for personal encounters with the Holy Spirit in real and tangible ways. Diane also serves on the Board of Directors of Marked by Heaven, a ministry dedicated to helping and empowering orphans in Mexico.

## Worship Leader

For the past 15 years, Damon Stuart has been using the gifts the Lord placed on his life to lead people into His presence. Before going into full time ministry, Damon began as a worship leader in a very small church in the Northwest suburbs of Chicago. One of Damon’s favorite Bible verses was really a true representation of where the Lord was launching him at that time. It states in Zech. 4:10 “Do not despise these small beginnings, for the Lord rejoices to see the work begin...”

Damon accepted the call from the Lord and the journey began for him to be not just a worship leader but a seeker of God’s presence. His passion and desire is to take you into that intimate place of worship that ushers you in the very throne room of God. As Damon says often, “There is nothing better than being in the presence of the Lord’.

Damon’s call to worship and ministry began when he was a child. His parents, who are also pastors, played a significant role in his passion for Christ and for the church. Going to church, worship music and biblical teaching was part of his life while growing up. In his school years, Damon took piano lessons and was involved in band and show choir, not realizing that God was preparing him for what he would be doing later in life. Through the years, God has touched Damon’s life many times, revealing the Father’s heart with amazing love, forgiveness and miracles that would set him on a course for what God would have him accomplish for the kingdom.
